

1. General Information

- **Full Name:** University Institute of Engineering and Technology (UIET), Panjab University, Chandigarh.
- **Established:** 2002.
- **Location:** South Campus, Sector 25, Chandigarh, Union Territory, India, 160014.
- **Affiliation:** Panjab University, Chandigarh.
- **Recognition:**
 - Approved by All India Council for Technical Education (AICTE).
 - Accredited by the National Board of Accreditation (NBA).
 - Recognized as a Tier-1 institute by NIRF (National Institutional Ranking Framework).
 - Ranked among the top 50 engineering colleges in India.
- **Campus:**
 - Spread over 10.5 acres with lush greenery.
 - Two academic blocks housing labs, offices, library, and lecture halls.
 - Mechanical labs and workshops in separate blocks.
 - Wi-Fi enabled campus with 1Gbps National Knowledge Network (NKN) connectivity.
 - State Bank of India branch and ATM on campus.
- **Student Profile:**
 - Students from across India, including day scholars and hostel residents.
 - Some international students.
- **Contact:**
 - Address: University Institute of Engineering and Technology, South Campus, Panjab University, Sector 25, Chandigarh – 160014.
 - Phone: +91-6280089748, +91-7719716783.

2. Academic Structure

- **Programs Offered:**
 - **Undergraduate (UG):**
 - Bachelor of Engineering (B.E.) – 4 years.
 - Specializations: Biotechnology, Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Information Technology, Mechanical Engineering.

- Integrated B.E.-MBA – 5 years.
- **Postgraduate (PG):**
 - Master of Engineering (M.E./M.Tech) – 2 years.
 - Specializations: Same as UG, with additional focus areas.
- **Doctoral:**
 - Ph.D. in various engineering fields.
- **Eligibility Criteria:**
 - **B.E./Integrated B.E.-MBA:**
 - Pass Class 12 or equivalent with at least five subjects, including Physics, Mathematics, and Language (Hindi/English/Punjabi/Any Other).
 - Recommended: ~90% in Class 12 for competitive admission (not official, but suggested for safety).
 - JEE Main 2025 score required, followed by JAC Chandigarh Counselling.
 - No Chandigarh state quota; admissions based on All India Rank (AIR).
 - Closing ranks (indicative, 2024):
 - Computer Science: ~30,000 AIR.
 - Biotechnology: ~350,000 AIR.
 - General category cutoff: 31,588–109,323 (JEE Main 2024).
 - **M.E./M.Tech:**
 - B.E./B.Tech in a relevant stream with minimum 60% marks.
 - Valid GATE score preferred; non-GATE candidates admitted based on merit or PU-CET (PG) if seats remain vacant.
 - **Ph.D.:**
 - Admission via GATE or University PhD Entrance Test.
- **Admission Process:**
 - **B.E.:**
 - Register for JEE Main 2025 and JAC Chandigarh Counselling.
 - Apply online on UIET's official website.
 - Four rounds of online counselling: First, Second, Third, and Spot Round.
 - Documents required: Class 10/12 marksheets, JEE Main result card, character certificate, migration certificate, category/income certificate (if applicable).

- Seat allocation based on JEE Main AIR, followed by document verification and fee payment.
- **M.E./M.Tech:**
 - Apply online with GATE score or PU-CET (PG) results.
 - Merit list released; document verification and fee payment required.
- **Lateral Entry (B.E.):**
 - Panjab University Lateral Entry Entrance Test (PULEET) for diploma holders.
- **Fee Structure** (indicative, subject to change):
 - **B.E./B.Tech:** INR 3.29–6.19 Lakhs (total tuition fee).
 - **M.E./M.Tech:** INR 38,800–1.14 Lakhs.
 - Annual fee for B.E. (Mechanical): ~INR 80,000–90,000 (including tuition and exam fees).
- **Scholarships:**
 - **UG:** Post Matric Scholarship, Merit cum Means Scholarship, Toppers Scholarship, Shanti Rani Sahni Scholarship, VKG Scholarship, Mera Swaraj Scholarship, KISCO Scholarship, Rotary Club Midtown, Sharman Foundation Scholarship.
 - **PG:** UGC Scholarship, GATE Scholarship, PG Scholarship Scheme for SC/ST, Post Graduate Indira Gandhi Scholarship for Single Girl Child, Pragati Scholarship for Girl Students.
 - Eligibility: Based on academic performance, financial need, or category (SC/ST/BC).
 - Toppers (CGPA >9.5) may receive INR 500–700 monthly; fee concessions for financially weak students.
- **Academic Features:**
 - Curriculum: Regular revisions to include industry-oriented programs and open electives.
 - Attendance: Minimum 55% required.
 - Evaluation: Absolute marking system; semester exams based on previous year questions (PYQs).
 - Faculty: Well-qualified, many from IITs and top institutes, but some criticism for outdated teaching methods (e.g., focus on C/C++).
 - Labs: Well-equipped for practical exposure.
 - Library:
 - Centrally air-conditioned with two reading halls.

- Over 6.4 lakh print publications, 1,490 manuscripts, online journals, CD-ROM databases, e-databases.
- Access to A.C. Joshi Library (670,000+ books, 660 periodicals) via inflibnet network.
- **Critiques:**
 - Curriculum outdated in some areas (e.g., not aligned with modern tech trends).
 - Teaching methods rely heavily on traditional approaches; students often supplement with online resources (e.g., YouTube).
 - Infrastructure for first-year classrooms not air-conditioned and considered old.

3. Hostel Facilities

- **Overview:**
 - 21 residence halls: 8 for boys, 11 for girls, 1 Working Women Hostel, 1 International Hostel.
 - Accommodates ~7,600 students.
 - Named after eminent personalities and historical figures.
- **Features:**
 - Spacious, furnished rooms with basic amenities (furniture, lights, water).
 - Wi-Fi connectivity in all rooms.
 - Mess included; food quality rated as good (~INR 40–50 per meal).
 - Indoor games, cultural festival celebrations.
 - Sports facilities: Football ground, basketball court, etc.
- **Fees** (indicative):
 - Hostel rent: ~INR 1,800/month (regular hostels), ~INR 7,000/month (International Hostel).
 - Annual hostel fee: ~INR 12,000.
 - Nearby PGs: INR 6,000–10,000/month, including facilities.
- **Application:**
 - Students fill a hostel application form; allocation based on availability and announced lists.
- **Feedback:**
 - Hostels well-maintained, but mess food rated as “okay” by some.
 - Infrastructure considered good compared to academic buildings.

4. Clubs and Societies

- **Overview:**
 - 8–9 active clubs and student organizations.
 - Focus areas: Technical, cultural, sports, creativity, entrepreneurship.
- **Key Clubs/Events:**
 - **Design and Innovation Group (DIG):** Organizes learn-ups, workshops, hackathons for tech learning.
 - **SAE-UIET (Society of Automotive Engineers):** Hosts BAJA, Student Formula One, Aero-modelling events for mechanical engineering students.
 - **Entrepreneurship Development Cell (EDC):** Formed in 2011 to promote startups; organizes UDYAMI, a national entrepreneurship summit with CEOs and investors.
 - **Rotaract, BPC, TPC, Osmium, Magboard:** Focus on community service, creativity, and student activities.
 - **Annual Cultural Festival – Goonj:**
 - Events: Quizzes, workshops, game shows, fashion show (Glitterati), dance show (Groovz), rock night, Pronite, city-level beauty pageant.
 - **Annual Sports Meet:** Various sports competitions.
 - **Annual Placement Drive – Avasar:** Organized by Training and Placement Committee.
 - **Conferences:** National Conference on Computing, Communication and Control (3C-2009), National Conference on Advances in Mechanical Engineering (NCAME-2011).
 - **SAE EFFI-CYCLE:** Hosted since its first season; attracts 120+ teams, including IITs.
- **Student Life:**
 - Described as “relaxed,” “chill,” and “good” with a balance of academics and extracurriculars.
 - Fests and club activities enhance campus vibrancy.

5. Placement and Internship Details

- **Placement Statistics:**
 - **2024:**
 - Highest package: INR 42 LPA.
 - Average package: INR 9.11 LPA.
 - Placement rate: ~92%.
 - 50+ companies visited; 350+ offers made.

- **2023:**
 - Highest package: INR 45 LPA.
 - Average package: INR 8.72 LPA.
 - 382 offers; 50+ companies.
- **2021:**
 - Highest package: INR 31 LPA (Google, off-campus; Amazon: INR 30 LPA).
 - Average package: INR 6.96 LPA.
 - 303 offers; 55+ companies.
- **2019–20:**
 - 200+ students placed.
- **Top Recruiters:** Deloitte, Infosys, KPMG, Sapient, Motorola, Havells, HP, Wipro, Nestle, Amazon, Capgemini, Zs Associates, Grail Research, Essar Styles, Winshuttle, PerkinElmer, Bechtel, Volvo Eicher, UB Group, Siemens Information System, Philips India Ltd.
- **Internships:**
 - Students report internships at Tata Motors, Deloitte, Infosys.
 - College provides training sessions, but company internships typically arranged in final year.
- **Feedback:**
 - Strong placement record for CSE and IT; weaker for branches like EEE and Biotechnology due to limited company eligibility.
 - Alumni network supportive in securing opportunities.
- **Training and Placement Committee:**
 - Organizes placement drives with student and faculty assistance.

6. Counseling and Orientation

- **Counseling Process (JAC Chandigarh):**
 - **Registration:** Candidates register on the JAC Chandigarh portal using JEE Main 2025 details (Application No., Name, Mother's Name, DOB).
 - **Fee Payment:** Via Debit/Credit Card, Internet Banking, or UPI (deadline: June 21, 2025).
 - **Choice Filling:** Select UIET Chandigarh and preferred branches.
 - **Rounds:** Four rounds (First, Second, Third, Spot Round); all online.
 - **Seat Allotment:** Based on JEE Main AIR; results for Round 1 tentatively on July 11, 2025 (after 8 PM).

- **Document Verification:** Post-allotment, submit required documents.
- **Corrections:** Window provided before first and special rounds to update details.
- **Special Categories:** SC/ST/BC/PwD/OCI/PIO eligible for reserved seats and relaxations as per Panjab University's Handbook of Information 2025.
- **No OBC Reservation:** OBC candidates apply under BC category with non-creamy layer certificate or are considered General.
- **Orientation** (assumed based on standard practices, as no specific details provided):
 - Likely includes:
 - Introduction to academic structure, faculty, and campus facilities.
 - Sessions on hostel allocation, club registrations, and placement opportunities.
 - Guidance on JAC Chandigarh counselling and fee payment.
 - Campus tour covering academic blocks, library, labs, and hostels.
 - **Potential Chatbot Queries:**
 - "What happens during UIET orientation?"
 - "How do I prepare for JAC Chandigarh counselling?"
 - "What documents are needed for seat allotment?"

7. FAQs (Derived from Web Results and Common Student Queries)

- **Admission:**
 - *Q: What is the eligibility for B.E. at UIET?*
 - A: Pass Class 12 with Physics, Mathematics, and Language; qualify JEE Main 2025; apply via JAC Chandigarh. ~90–95 percentile recommended for competitive branches.
 - *Q: What is the JEE Main cutoff for UIET?*
 - A: Varies annually; 2024 General category: 31,588–109,323. CS closes at ~30,000 AIR, Biotechnology at ~350,000.
 - *Q: How many counselling rounds are there?*
 - A: Four (First, Second, Third, Spot Round), all online.
 - *Q: What documents are needed for admission?*
 - A: Class 10/12 marksheets, JEE Main result, character certificate, migration certificate, category/income certificate (if applicable).
- **Academics:**
 - *Q: How is the curriculum at UIET?*

- A: Industry-oriented but outdated in some areas (e.g., focus on C/C++). Regular revisions include open electives.
 - Q: *What is the attendance policy?*
 - A: Minimum 55% attendance required.
 - Q: *Are faculty members qualified?*
 - A: Yes, many from IITs, but teaching methods vary; some rely on traditional approaches.
- **Hostels:**
 - Q: *Does UIET provide hostel facilities?*
 - A: Yes, 21 hostels (8 boys, 11 girls, 1 Working Women, 1 International). ~7,600 students accommodated.
 - Q: *How much is the hostel fee?*
 - A: ~INR 1,800/month for regular hostels; ~INR 12,000/year. International hostel: ~INR 7,000/month.
 - Q: *How do I apply for a hostel?*
 - A: Fill the hostel application form; allocation based on availability.
- **Clubs and Activities:**
 - Q: *What clubs are available at UIET?*
 - A: DIG, SAE-UIET, EDC, Rotaract, BPC, TPC, Osmium, Magboard. Cultural fest (Goonj), sports meet, and placement drive (Avasar).
 - Q: *What is Goonj?*
 - A: Annual cultural festival with quizzes, workshops, fashion show, dance, rock night, and beauty pageant.
- **Placements:**
 - Q: *What is the highest package at UIET?*
 - A: INR 42 LPA (2024), INR 45 LPA (2023), INR 31 LPA (2021, off-campus).
 - Q: *Which companies visit UIET?*
 - A: Deloitte, Infosys, Amazon, KPMG, Wipro, Havells, Motorola, Nestle, Siemens, Philips.
 - Q: *Does UIET provide 100% placements?*
 - A: No, but ~92% placement rate with strong records for CSE/IT.
- **Campus Life:**
 - Q: *How is life at UIET?*

- A: Relaxed, vibrant with fests, clubs, and sports. Infrastructure average but improving; hostels and library well-regarded.
- Q: *Is the campus Wi-Fi enabled?*
 - A: Yes, with 1Gbps NKN connectivity.

8. Additional Facilities

- **Library:**
 - Large collection of engineering, management, and technology books, journals, and non-course material.
 - Access to A.C. Joshi Library with 670,000+ books and 660 periodicals.
- **Sports:** Football ground, basketball court, indoor games.
- **Cafeteria:** On-campus, affordable meals (~INR 40–50).
- **Labs:** Well-equipped for practical training.
- **Other:**
 - Conference room with projector and LCD display.
 - Alumni Affairs Office (since 2013) managed by Student Team for Alumni Relations (STAR).
 - MoUs with Infosys, IBM, IMTECH, Bharti Group for research and training.
